

OFFER LETTER

Dear **Om Dilip Gaikwad**,

Congratulations! We are pleased to offer you that you have been selected for Web Development Internship program at Lapworkz. The internship will start on February 1, 2024 and end on February 28, 2024.

During your internship, you will learn about the different aspects of web development, including HTML, CSS, and JavaScript. You will also have the opportunity to work on real-world projects.

We are excited to have you join our team and we look forward to working with you.

Internship details:

Domain: web development

Durations: 4 Weeks

Regards,
